

CESA Donkey & Goat Happy Hour

Sponsorship Opportunities

About the Event

For the first time in over two years, the California Energy Storage Alliance will host an in-person event with food, drinks, and networking. With the recent growth in Bay Area energy storage opportunities, now is the time to connect with the community with brand recognition and thought leadership.

Only 2 total Platinum Sponsorship opportunities are available. **To secure your spot, contact Lily Backer to sponsor (lbacker@storagealliance.org).**
